- **Theme: "It's All About Love!"** – This visual art exhibit is being presented by the Sidney and Gertrude Zack Gallery in collaboration with Festival Ha'Rikud, an international community-wide youth dance festival. This year the choreographers are being asked to create dances on the theme of 'love' in its universal sense: love of family, love and devotion to one's country, love of nature, love in friendship and of course romantic love. Similarly, professional visual artists are being asked to express their own visual interpretation of the word love. The artwork will be for sale and exhibited in the Sidney and Gertrude Zack Gallery.

Commission on Sales: The art will be for sale. The Gallery receives a 25% commission.
