

GARY & KAREN SIMKIN FAMILY CHILD DEVELOPMENT CENTRE

When to Expect Confirmation of Acceptance

Thank you for completing the application form for the Jewish Community Centre Kinder Care/After School Care/Kidz Club Program. Please ensure that you have carefully read and signed the Registration/Withdrawal forms. Many people like to know when to expect confirmation of acceptance and other related processes.

- 31 March: You will receive confirmation of acceptance into the program or you will be notified of your status on the Wait List. Please ensure you inform us of any address or contact information changes.
- 16 July: An Information Package will be mailed out, including required forms to be completed and a school calendar.
- 25 August: First fee installment payment is due and your cheque or credit card will be processed. Please ensure that you have a payment plan in place by June 12.

Your careful attention to reading all material in your information package is much appreciated. Licensing requires that all necessary documents be complete and with your Caregiver before you leave your child with us in September. Please bring these completed documents to the parent orientation meeting in early September or drop them off with your Caregiver or the Program Coordinator by the first day of school.
